

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Waterville reached the 344 per cent mark in the third Liberty loan drive.

A petition has been circulated in Rutland asking the school board to remove the study of German from the school curriculum.

Miss Katherine Crozier, formerly assistant superintendent of Heaton hospital, Montpelier, has arrived overseas to do Red Cross work.

Osman Bradbury of Althaus, Mich., visited his native town of Greensboro last week, after an absence of 58 years, and hardly recognized the place.

A cow with a broken leg was being loaded on the stock train at St. Johnsbury the first of the week, when the police took a hand and the animal was shot.

The annual banquet will be omitted from the usual commencement program at Stowe this year, the price per plate being invested in war savings stamps of Liberty bonds.

Darius Felcher of Felcherville has dug 15 bushels of potatoes which were left in the ground all winter, and finds them superior in every way to those kept in the cellar for that time.

Mrs. Frank West of St. Johnsbury, whose husband died May 3 in France, received Monday a letter of condolence from King George of England. Mr. West was in a Canadian regiment.

Two big trout were taken from the Lamolite river at Hyde Park recently by Harry Foss, one a steel head, which weighed four pounds and seven ounces, and the other a rainbow, which weighed three pounds and one ounce.

Of the \$1,000 asked from Vermont for the work of the American Woman's Hospital association, a little over \$400 has been raised. Dr. Grace Sherwood of Burlington is the chairman in Vermont in the campaign.

The following Vermonters have been accepted for the aviation department of the signal enlisted reserve corps and have been ordered to report for active service and training at Princeton May 20 to 22 inclusive: Edward L. Knight, South Royalton; Hugh C. Perkins, Rutland; William R. Brewster, Middlebury; Harry T. Jenne, Newport; Edwin C. Weinreb, Rutland.

Nine hundred cavalrymen from various cantonments throughout the country have arrived at Fort Ethan Allen. These men are the advance guard of a regiment that will be formed at the fort and their arrival is supposed to clear away the rumor that a regiment of men of German birth would be sent there this summer.

Announcement was made at Dartmouth college, Hanover, N. H., this week of the name of the donor of the \$10,000 organ in Rollins chapel, which was used for the first time publicly and dedicated at the annual Sing Out exercises at the college Sunday afternoon. The donor is General Frank E. Streeter, 74, of Concord, N. H., a trustee of the college and a former St. Johnsbury boy.

William and Cheney Williams of Williamsville have accomplished a remarkable amount of knitting for the Red Cross, and William, aged 10 years, has recently turned in a pair of socks perfectly knit and with heels turned and toes finished without help. The two boys, the other of whom is 12 years old, have knitted two helmets, three pairs of wristers, five nurses' bath mitts, four eight-inch squares and each has a sweater nearly finished. They have also sweated one quilt.

Lyndon, Barnet and Monroe, N. H., suffered much from Friday night's storm. In Lyndon, two barns belonging to George P. Ide were wrecked. The sugar house and other buildings on the Elery Gray farm were demolished and two barns were partially unroofed. Frank Treffen in the same town lost a shed and the new barn on the Joseph Randall farm was completely unroofed. C. B. Bradshaw's barn was lifted, carried about ten feet and deposited in many sections. In Monroe, N. H., just across the state line, Freeman Johnson's large stock-barn was blown down and seven head of valuable stock were killed. On the road from Concord Corner to Lower Waterford four silos were blown down and chimneys, roofs and sheds were scattered about promiscuously. Donald Wilson was hit on the head by a flying board as he ran from the barn to the house and for nearly two hours he was unconscious.

GRANDMA USED SAGE TEA TO DARKEN HAIR

She Mixed Sulphur with It to Restore Color, Gloss, Youthfulness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and lustrous. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so effectively. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and lustrous.

This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.

State of Vermont
Horace F. Graham, Governor

A PROCLAMATION

The second year of our participation in the great war finds us, like our soldiers, in our place for service. Our desire is that we may be given an opportunity to do our best in this war. We speed our boys on their way to the front and turn to those endeavors which will support and comfort them in the work they have so bravely taken up. The Red Cross appeals to us for a second year fund. The nation is asked to raise one hundred million dollars; Vermont's share is two hundred thousand dollars.

In conformity with the proclamation of the president, I, Horace F. Graham, Governor, designate May 20 as Red Cross Week.

Red Cross observances be held in the churches and schools and let all organizations in the state arrange to help in this campaign. Assure the soldier that the civilian at home is also engaged in campaigns. In every war endeavor, whether a loan to the government or a voluntary contribution of men or money to the cause, Vermont has in each instance cheerfully contributed more than her quota. This is rather our privilege than our boast. I hope that all citizens of the state will join in coming forward with our allotment in this campaign.

Loans to the government provide the sinews of war; Red Cross funds provide for the care and healing of war's wounds and the alleviation of war's distresses. Every contribution to the Red Cross is both a loan and a gift. It is an investment in our own security and happiness. It is a gift and may be the last touch of comfort for him who gives his life for you and me.

Given under my hand and the great seal of the state, at Montpelier, this seventeenth day of May, 1918. [Seal]
Horace F. Graham, Governor.
Harvey E. Goodell,
Secretary of Civil and Military Affairs.

Guard Children Against Worms

Pinkworms and stomach worms are some of the most dreaded diseases of children. Signs of worms are: Deranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional cramps and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching of the rectum, short dry cough, grinding of the teeth, little red spots sticking out on tongue, sallow during sleep, slow fever. Dr. Tru's Elixir, the Family Laxative and Worm Expeller, will surely and quickly expel worms, correct upset stomach and constipation. Adults are also benefited, and write us letters like this: "Dr. Tru's Elixir has done me a world of good. John Glass, Houston, Texas." At all dealers, 40c, 60c, and \$1.00. Write us.

Dandruff Scalps Lead to Baldness

If you have dandruff you must get rid of it quick—it's positively dangerous and will surely ruin your hair if you don't. Dandruff leads to baldness, brittle, scraggy hair that finally dies and falls out. New hair will not grow—then you are bald and nothing can help you.

The only sure way to abolish dandruff for good is to destroy the germ that causes it. To do this quickly, surely, and safely at all expense, there is nothing so effective as Partisan sage, which you can get from E. A. Brown & Co. and good druggists everywhere. It is guaranteed to banish dandruff, stop itching scalp and falling hair, and promote a new growth, or the coat, small as it is, will be refunded.

Partisan sage is a scientific preparation that supplies all hair needs—an antiseptic liquid, neither sticky or greasy, easy to apply, and dandruff help you.

If you want beautiful, soft, thick, lustrous hair, and lots of it, by all means use Partisan Sage. Don't delay—begin tonight—stop itching scalp and falling hair, and promote a new growth, or the coat, small as it is, will be refunded.

"Corn-Less Day" for Feet, Every Day

Use "Geta-It," the Great Corn Discovery! Makes Corns Peel Right Off!

Look at the illustration below. See the two fingers peeling off a corn as though it were a banana peel! And the man is smiling while he does it! All done painlessly, joyfully. The moment "Geta-It" touches a corn or callus the growth is doomed. It takes but two

seconds to apply "Geta-It." The corn-peel is eased at once. You can sit at your desk or walk about, dance, think, love and work with absolute ease. You can apply "Geta-It" conveniently almost anywhere where you can take your shoe and stocking off for a moment or two. "Geta-It" dries at once; then put your shoe and stocking on again. There's no further excuse for suffering from corns and calluses.
